Dear Sir,

We wish to place on records our deep gratitude to you and your team for the wonderful and timely support provided in obtaining the FDA license for our facility, personnel and the product.

We were interacting with the FDA office in Mumbai for over past seven months and things were not moving to the satisfaction. With your consultation and advise, the entire path became very smooth and easy. All our work could be completed in timely manner.

The domain knowledge possessed by you and your team is par excellence. What we couldn't achieve in seven months, the entire process was done in just a months time to the satisfaction of the FDA, with your support.

We congratulate you for this success and many thanks for the wonderful work done. Keep up the good show.

regards,

R N JOHRI
